1. Investment Products and Risks

- 1.1. Nectaro offers access to investments in financial instruments backed by loans. Detailed information about each instrument, including its risk profile, expected returns, and terms, will be provided on the Platform.
- 1.2. **Investment Disclaimer:** Investing in financial instruments involves risk, including the potential loss of principal. Past performance is not indicative of future results. You acknowledge that you have conducted your own due diligence and understand the risks associated with each investment before making any investment decisions.
- 1.3. We do not provide financial advice. The information provided on the Platform is for informational purposes only and should not be construed as investment advice. You should consult with a qualified financial advisor before making any investment decisions.

2. Offer period

- 2.1. The Boost campaign offer applies to selected financial instruments published on the Nectaro platform, as indicated there, and is valid while the instrument is available for investment.

3. Cashback calculation and crediting

- 3.1. An investment in each eligible financial instrument qualifies the investor for a cashback bonus as specified on the platform.
- 3.2. The cashback bonus is calculated at the end of each month based on the total investments made during a month in eligible financial instruments and the applicable cashback bonus rate.
- 3.3. The cashback bonus is calculated monthly and credited to the investor's account by the 15th day of the following month.
- 3.4. Each investment in the eligible financial instruments qualifies the investor for a one-time bonus within the current month. Investments in the financial instruments from previous months do not qualify for additional bonuses.
- 3.5. Tax is automatically deducted from the bonus before it is credited to the investor's account.

4. Eligibility for cashback

- 4.1. Cashback and the selected instruments are available to all Nectaro users.
- 4.2. Nectaro users are eligible for the cashback bonus on investments in selected financial instruments only after the instruments are marked with the bonus flag on the platform. Investments made in the financial instruments before they are marked with the bonus flag do not qualify for the bonus.

5. Bonus cap

- 5.1. Participants in the campaign are eligible for a bonus of up to €1,000 per month.

6. More information

- 6.1. If you have any questions about these Terms, please contact us at support@nectaro.eu.

7. Disclaimer

- 7.1. This document is for informational purposes only and does not constitute legal advice. It is recommended that you consult with a legal professional to ensure that your terms and conditions comply with applicable laws and regulations.
